UNICEF - Day for Change

This year St Bert's will take part in the UNICEF - Day for Change. We will be holding a non-uniform day this Friday 5th February 2010 in exchange for £1. The money collected will benefit the Haiti Disaster Fund as opposed to going directly to UNICEF. Thank you for your support.

Drumming

There will be drumming lessons this week as usual.

Website

Please take a look at the website and see some fantastic photos of our Y4 children in Burwardsley as well as some of the Uganda children wearing their donated football shirts.

Cycle Security Marking

Paul Webster one of our Community Police Officers has informed us of a new initiative about Cycle Security Marking. There will be an event held at Phoenix Park in Castlefields on Monday 15/02/10 - first day of the half term holiday between 10.00 am - 14.00 pm.

The Community Police Officers will be at the Visitors Centre between these times with their Exhibition Vehicle. All children (who need to be accompanied by an adult/guardian) can bring their bicycles along to be

security marked. There will be no charge for the security marking.

Bikeability!

BikeRight! are delivering Bikeability cycle training on behalf of Halton

Borough Council. Bikeability is the Cycling Proficiency Test for the 21st Century designed to give the next generation the skills and confidence to ride their bikes on today's roads. It is not just about teaching children to ride a bike to national standards but also about introducing them to cycling as an everyday and fun activity and an alternative mode of transport.

The course will be available only to our Y5 and Y6 children **who are 10 years of age.**

Our Y5/Y6 children will be receiving a letter sometime this week with all the details. If your child is interested in taking the course, please

return the consent form back to school as soon as possible.

Bad Weather

Just a quick note with regards to the weather this morning. The roads around school were very icy, especially along Norton Gate. Can we please ask that you

drive carefully when parking and dropping children to school. **SLOW DOWN!**
Thank you!

Attendance/Lateness

Just to make you aware the school's Attendance Data is constantly monitored by our Educational Welfare Officer. If your child is absent/late for whatever reason, then please contact the school and leave a message on the answer machine. Upon returning to school your child will need a brief note of explanation as to the reason for absence.

Holidays in Term Time

Just a reminder once again, that holidays should not be booked in term time without prior consent for an authorised absence from school.
