Bikeability!

You should have received a letter regarding Bikeability. If you have a child in Y5 & Y6 who are aged 10 years then please complete the consent form and send in asap.

Building Work

Some of you may have noticed that school recently applied for planning permission for an extension to

the car park, a new early years covered play area, and additional playground space. The work is due to commence during the February half term holiday and will be broken down into three phases.

The first phase is to build an extension to the car park and is likely to cause quite a lot of disruption since the main entrance to school will be cordoned off. The Highways Officer has been around school this morning and we have discussed the system to be put in place after February half term.

Basically we are asking parents to continue to use the Drop and Go system in the morning but as the children are dropped off they will walk along the footpath entering the school premises via the side gate. Obviously if parents can avoid using the car completely then this will lead to minimum disruption.

Gate Lady Needed

We are still seeking to appoint another person willing to man the gates in the mornings. If you are interested or know somebody who might be then please contact the school office. The hours are 8.30am until 9.00am each morning.

Chester Cathedral - Anne Frank

Mrs Wroe's and Mrs Rowland's classes will be making a special visit to Chester Cathedral this week to see an exhibition depicting the story of Anne Frank - the Jewish girl who lived in hiding during World War II. We look forward to hearing about their visit. ps PLEASE SEND IN ANY OUTSTANDING MONEY ASAP.

Friends of St Bert's

On Wednesday of this week at 2.30pm there will be a meeting of the Friends of St Bert's to discuss future events, eg Away Day Raffle, Easter Comp, Easter Raffle and our forthcoming

Grandparents Afternoon.
Everybody welcome!
