

## St. Berteline's Church of England Primary School.

Dear Parents,

Wow - final half term of Year 6 already!

SATs are now completed and final writing assessments are being completed in class at the start of term - focusing on Memories of Year 6.

Children will largely be turning their attention to transition to high school - including visiting their new schools and discussing a range of topics linking to high school transition. We will be reading *Chocolate Teapot: Surviving High School* which focusing on all things related to transition.

Y6 children will also be working with Mrs Wroe on our Y6 Leavers Assembly! Children are very excited about this and will be performing to the whole school and parents at the end of the term!

In class work, we will be completed a range of activities in different curriculum areas:

- PSHE / English - Transition
- French with Madame Lila
- History - Ancient Greece
- Geography - Rivers

In this busy term, children will also be preparing for Sports Day. They will know their teammates and colour very soon and will begin preparations for the events that they will compete in!

We are looking forward to our Y6 Leavers Service at Chester Cathedral. Children will be performing songs and sharing a banner that they have made linking to the theme of hope.

We also have our end of Y6 trip to Chill Factor - children will be out for a fun-filled day with sessions on Snow Park and Rock Up!

A very busy term ahead!
