

## **Writing**

Many of you are writing on lines, which is perfectly fine. However, when doing this, it would be helpful if you could encourage your child to make their letters 'sit on the line' rather than fly in the space between them.

We talk about letters making sure that all their bottoms are sat on the line, just as our bottoms sit on a chair.

- g, j, y have 'monkey tails' that hang below the line
- p, q also hang below the line
- b, d, h, l, are letters with a tall back
